# CARE INSTRUCTIONS

---

## USE AND CARE OF YOUR LAMP

You have just purchased an original handmade product by LZF. Your lamp is made out of FSC® certified natural wood veneer treated with our patented finish, Timberlite®. This treatment both protects and safeguards the wood veneer against breakages.

For **CLEANING SHADES** we recommend a feather duster or a damp cloth, clean only the flat surface of the veneer with the cloth, and please avoid any moisture contact along the edge of the veneer.

The **METALLIC SURFACES** should be treated with care and cleaned with a soft damp cloth only. Make sure that moisture does not penetrate joints or junctions between metal parts. Do not use solvents of any kind.

The **ACRYLIC DIFFUSERS** on your lamp can be cleaned with a regular window cleaning spray and a soft cloth. Do not use solvents of any kind.
